Job Description

Sales Manager–New Homes Southern Crafted Homes is one of the five fastest growing, privately held homebuilders in Tampa Bay. Two years in a row we were voted as one of the Best Places to Work and were a finalist for the Business Team of the Year Award; both honors received from the Tampa Bay Business Journal. We are seeking a highly motivated professional to manage our new home sales team. The ideal candidate must be an enthusiastic team leader with a high degree of honesty and integrity, a good work ethic, along with strong management, organizational and interpersonal skills. Self-confident optimistic positive “can do” attitude with a proven track record in new home sales is required.

Compensation package includes a bonus program, car allowance, Aetna health insurance 100% company paid for employee and a matching 401K plan. Interested candidates should apply on-line to Monster.com and provide their resume and income history. Candidates without income history or salary requirements will not be considered.
