

Manufacturer's Partner Program

CraftMaster Interior Doors and JamesHardie Building Products have each committed to donate \$5,000 to the Tampa Bay Builders Association upon receiving a list of at least **50 TBBA builder members** who will meet with them in order to try and develop a way to have their products specified on the builders' future projects. In exchange for their donation, these manufacturers will receive one full Associate Membership (valued annually at \$480), plus logo/website recognition through a half page display ad in the Association's monthly digital magazine (DreamBIG! Building Barometer) for twelve months. There is **NO** cost to the builder, just your time.

Now we are asking you, a builder member of the TBBA, to commit to meet with representatives from these manufacturers. That's all, to just have a meeting with them.

So please, print this page, fill out the information requested below and fax it to **813.874.1000**. Once the TBBA receives a total of 50 builder responses for a manufacturer, the forms will be sent to them and they will be in contact with you to arrange a meeting.
